CHAMBER OF COMMERCE

New Member Checklist

Create your Portal login

Use the email link you received or request a password through the Member Login portal to create credentials.

Fill out your Member Profile

Add employees and grant access to member benefits. Complete all sections of your company profile to be displayed on the online directory.

Attend a Membership Orientation

Familiarize yourself with the variety of benefits that we offer to maximize your membership.

Review the Chamber Calendar

Choose from a number of virtual and in-person events to begin meeting others and getting involved.

Attend a Membership Meeting

Be introduced as a New Member, meet elected officials, and network with other chamber members.

Download the Proud Member logo

Display the logo on your website, social media, business cards, and in your business space.

New Member Checklist

Subscribe to Chamber emails

Sign up to receive weekly emails of upcoming events, training opportunities, and important information.

Connect on Social Media

Follow our chamber pages on your favorite social platforms to receive information and engage with other community members.

Advertise with the Chamber

We offer many options to give you further exposure including email blasts, social media posts, website ads and event sponsorship.

Check our Affinity programs

Review several cost-saving and discount offers from our chamber partners to help your business grow.

Post your job openings, coupons & events

Publish job openings at your company, special offers for members and the public, and your special events.
